

Shade, Shelter, and Style

Country Canvas Awnings is a full-service and fully insured awning company. Our design team manufactures top quality custom welded frames, canopies, shades/curtains and more.

We are equipped with a 28-foot box trailer to make sure your awnings are delivered properly. Our commercial services include fabrication, delivery, installation, and surveying.

Benefits of Awning Applications:

- Advertise using Logo's and Graphics
- Provides shade and shelter from the elements
- Expands outdoor space (great for restaurants and clubs)
- Many Styles
- Can dramatically change the appearance of a building
- Lower Energy Costs
